REPORT OF THE TOWN MEETING

March 8, 1973

At a legal meeting of the Inhabitants of Brentwood, County of Rockingham, State of New Hampshire, qualified to vote in Town Affairs held on Thursday, March 8, 1973, the following business was conducted:

Article 1: A motion was made by C. Francis Thorsell, Sr. and duly seconded to lay Article 1 on the table until a vote had been taken on Article 14. Passed by voice vote.

Article 2: A motion was made by John Cummings and duly seconded to table Article 2. Passed by voice vote.

Article 3: A motion was made by C. Francis Thorsell, Sr. and duly seconded to see if the Town would vote to authorize the establishment of a Capital Reserve Fund for a Tax Map of the Town of Brentwood and if so voted to authorize the Selectmen to withdraw \$4,000.00 from the Revenue Sharing Fund. Passed by a standing vote, Yes=65. No=22.

Article 4: A motion was made by Irving Cross and duly seconded to see if the Town would vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, as set-offs against budgeted appropriations for the following priority purposes and in the amounts indicated:

Summer Maintenance	\$ 4,000.00
Police Department	3,500.00
Fire Department	3,000.00

Passed by voice vote.

Article 5: A motion was made by Gilbert Tuck and duly seconded to see if the Town would vote to raise and appropriate the sum of \$3,500.00 to repair the library. The following amendment was made by Ilgonis Abers and duly seconded: To see if the Town will vote to raise and appropriate the sum of \$7,500.00, said sum to be used to relocate the public library to other town land adjacent to and on the westerly side of Swasey School. Amendment voted in the negative. A subsidiary motion was offered by Richard Chamberlain and duly seconded that a committee be appointed by the Selectmen to study the needs and requirements of the library and submit a report at the next town meeting. Subsidiary motion passed by voice vote.

Article 6: A motion was made by C. Francis Thorsell, Sr. and duly passed to indefinitely postpone Article 6. Passed by voice vote.

Article 7: A motion was made by James Fralic and duly seconded to see if the Town would raise and appropriate the sum of \$3,000.00 to replace hose for the Fire Department. Passed by voice vote.

Article 8: A motion was made by James Fralic and duly seconded to see if the Town would vote to raise and appropriate the sum of \$2,000.00 for additional monitors and batteries for the Fire Department. Passed by voice vote.

Article 9: A motion was made by Walter Small and duly seconded to see if the Town would vote to raise and appropriate the sum of \$113.58 to join the N.H. Municipal Association. Defeated by voice vote.

Article 10: A motion was made by Irving Cross and duly seconded to see if the Town would vote to raise and appropriate the sum of \$150.00 to be paid to the Volunteer Firemens' Association for the Towns use of the Firehouse hall. Passed by voice vote.

Article 11: A motion was made by Irving Cross and duly seconded to see if the Town would vote to authorize the Selectmen to borrow such sums of money as may be necessary to defray Town expenses, in anticipation of taxes. Passed by voice vote.

Article 12: A motion was made by Ilgonis Abers and duly seconded to see if the Town would vote to authorize the Selectmen to sell and convey a certain parcel of backland situated off Route 111A and known as Robinson land. Said land was acquired by Tax Collectors Deed. Said land to be sold by: private sale, at public auction or by sealed bids, as the Selectmen may deem most advisable. An amendment was made by C. Francis Thorsell, Sr. and duly seconded that the last sentence read: "Said land to be sold by sealed bids to the highest cash bidder prior to December 31, 1973." An amendment to the amendment was made by Irving Cross and duly seconded that the Selectmen shall have the right to reject any and all bids. The amendments and the main motion as amended passed by voice vote.

Article 13: A motion was made by Irving Cross and duly seconded to see if the Town would vote to change the method of paying the Tax Collector, as provided March 13, 1962, to \$400.00 per year plus \$1.50 per tax bill. Passed by voice vote.

Article 14: A motion was made by Irving Cross and duly seconded to see if the Town would vote to have all property valuations published, with all abatements indicated, and distributed with the tax bills. An amendment was made by Irving Cross and duly seconded that volunteer help be found to compile and publish said list. The amendment and the main motion passed by voice vote.

Article 1 taken off the table: A total budget of \$84,819.64 plus the amounts passed in the preceding articles was passed by voice vote after an item by item discussion.

Article 15: A motion was made by John Cummings and duly seconded that the meeting adjourn at 10:35 p.m.

ROAD AGENT'S REPORT

Board of Selectmen and
Citizens of Brentwood

It is my pleasure to submit this report from March 1973 to December 1974. Town Road Aid monies were spent on Prescott Road with approximate matching funds from the Towns Summer Maintenance budget.

Highway Subsidy Funds were used to rebuild River Side Drive from Route 107 to the Fremont line, Kadre Road from Riverside Drive to Old Danville Road, Lake Road, a section approximately 800' long and a section of Rowell Road, approximately 500' long. The gravel sections of Rowell Road were worked on during the muddy season.

Oil treatment was applied to Scrabble Road from Lynches to Prescott Road, Prescott Road, the full length, Deerhill Road from North Road to Sanborn farm and Haigh Road from Route 111A to the bridge. A one inch layer of hot-top was applied to Michael Bennett Road and on Mill Road from Route 107 to the bridge.

A bridge inspection was made by the State of New Hampshire Bridge Crew and by Rose, Goldbert & Associates. A complete report will be available at the annual town meeting.

It has been a pleasure working for you and I am looking forward to serving you again.

Respectfully submitted,
RAYMOND J. EVANS
Road Agent

ILGONIS ABERS
IRVING CROSS
ROBERT O. SANBORN
Selectmen of Brentwood

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brentwood Firehouse in said Brentwood on Thursday the Seventh day of March, next at seven of the clock in the afternoon, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
2. To see if the Town will vote to adopt the provisions of the Municipal Budget Act.
3. If Article 2 is adopted, to see if the Town will vote to elect six members to serve on the Budget Committee, as set forth in New Hampshire R.S.A. Chapter 32:2, as follows: two members-at-large to serve on the Committee for a term of three years, two members-at-large to serve on the committee for a term of two years, two members-at-large to serve on the committee for a term of one year.
4. If Article 2 fails, to see if the Town will vote to establish an Advisory Budget Committee of nine members, whose function shall be to examine and make recommendations on all contemplated Town expenditures, Brentwood School expenditures, if—said proposed expenditures are voluntarily submitted to the committee, and on all proposed increases in the Rockingham County budget. The committee shall make its findings and recommendations known to the Town and to those persons responsible for the formulation of the budget for the Town, Brentwood School Board and County.

A. The selection of—the above committee shall be as follows:

1. Four members shall be appointed by the Selectmen of the Town, with one member to be appointed from the Brentwood School Board, providing that the School Board voluntarily submits its proposed expenditures to the Advisory Budget Committee, one member to be appointed from the Board of Selectmen, and the remaining two members to be chosen from the Town check-list.

2. Four members to be elected at the annual Town meeting beginning in 1975. If this Article is approved by a vote of the Town at the 1974 Annual Town Meeting, the Town Moderator shall appoint four members to serve for a term of one year, after which time the town shall elect said members at the Town Meeting.

3. The Town moderator shall serve as the ninth member of this committee for the term of—his office.

B. The length of the term—of office of the committee members, both elected and appointed, shall be as follows:

1. Two appointed and two elected members for one year terms.

2. One appointed and one elected member for two year terms.

3. One appointed and one elected member for three year terms.

5. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 towards the construction and repair of certain bridges within the Town of Brentwood; said sum to include a reasonable amount for engineering consultant fees and charges.

6. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for a Town Tax Map; the total cost of said Town Tax Map not to exceed the amount of \$18,000.00, and further to authorize the Selectmen of the Town to solicit and accept offers and enter into contract and agreement for the preparation of said Town Tax Map.

7. To see if the Town will vote to authorize the Selectmen to withdraw from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

APPROPRIATION

AMOUNT

Town Tax Map	\$ 7,000.00
Fire Department	5,000.00
Dump, Town of Kingston	5,000.00

8. To see if the Town wishes to vote to increase the salary of the Librarian from \$300.00 to \$900.00. This would allow the Library to be open fifteen hours per week.

9. To see if the Town wishes to reaffirm and clarify the authorization of the Planning Board of the Town of Brentwood to utilize all of the statutory authority permitted to it in the New Hampshire Revised Statutes Annotated, Chapter 36, and in particular sections 1—36, including all statutory subsections in parts 1—36 as effective of record at the time of the 1974 Town Meeting. (The purpose of the article is to fully adopt all authority granted to the Planning Board pursuant to the New Hampshire statutes and in particular to take into consideration the vote of the 1960 Town Meet-

ing and the 1964 Town Meeting which, taken together, could indicate that there was some question as to exactly what was proposed by the Town.)

10. To see if the Town wishes to vote to authorize the Selectmen to apply for, contract for and accept aid relative to disasters from the Federal Disaster Assistance Administration in Washington, if necessary.

11. To see if the Town wishes to vote to authorize the Selectmen to accept the gift of \$5,000.00 for the restoration and renovation of the Library, said Library to be henceforth known as "The Mary E. Bartlett Memorial Library".

12. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be used for Matching Funds on Grants approved by the Governor's Commission on Crime and Delinquency for additional patrols and radio communications equipment for the Police Department.

13. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to purchase land and build a fire station at the East end of Town on or just off Route 111A East to be used by the Fire Department. To be for the Fire Department use only. Controlled by Fire Wards.

14. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purchase of a Mini-Attack pumper and brush truck to replace the 1934 brush truck now being used by the Fire Department.

15. To see if the Town will vote to allow the Town Clerk to register voters during regular office hours. Said voter registrations would be subject to approval by the Supervisors of the Check-list as stated in the New Hampshire RSA 55:9a and 55:9b.

16. To see if the Town wishes to vote to authorize the Selectmen to appoint a dump committee of either three, five or seven members. Said committee to investigate the possibility of establishing a dump within the Town of Brentwood or to bring a report stating other recommendations before the 1975 Town Meeting.

17. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to defray Town expenses, in anticipation of taxes.

18. To see whether the Town will vote to join the South-eastern New Hampshire Regional Planning Commission and the Strafford-Rockingham Regional Planning Council.

19. To see whether the Town will appropriate \$957.00 as dues to the Regional Planning Commission.

20. To see if the Town will vote to raise and appropriate the sum of \$500.00 as a grant for the Seacoast Regional Counseling Center located in Portsmouth, N.H. with a branch at the Exeter Clinic, Exeter, N.H.

LIBRARY REPORT

To the Selectmen and
People of Brentwood

We come to the end of another year with Library work which is just as gratifying as ever. We have borrowed 834 books from the Bookmobile and many from the Exeter office and the State Library, We have bought reference books, non-fiction and fiction in adult, youth, children and pre-school ages.

Cash on hand at the start of the year was \$143.25, received from the Morrill Fund \$125.00, plus a \$10.00 donation and \$400.00 from the Town for a total of \$678.25. We have spent \$570.33 with a balance on hand on February 8, 1974 of \$87.92.

Many thanks to Mrs. Dorothy Rice for all the books given to the Library from the late Mary E. Bartlett's own library, also thanks for the book on decoupage in memory of Mary E. Bartlett given by the Sally Plumer Chapter of the D.A.R. the Liberty Press for book marks with the Library name on them, the Exeter Library for the Book Drop and Mr. and Mrs. Ralph Woodard for painting and lettering it for us. Thanks to Mr. and Mrs. Robert Moors for a book written by their son (Finding Your Way in the Outdoors) and to Agnes Woods for several books.

Through the efforts of the Library Committee appointed by the Selectmen, the ceiling has been scraped and painted. Arlene Porter, Janice Knutsen, and Flo Corbett washed the woodwork. The walls and woodwork have now been painted and really look lovely. A lot of this work was accomplished through the generous donations of the following interested friends of the Library; Mr. Dexter Underhill, Mr. Norman Goss, Mr. George Sampson, Mr. Harold Sherman, Mr. Robert Webb, Stevens Dairy, the Police Department, the Ladies Auxiliary to the Fire Department, the Fire Department and Keeneborough Grange. I also want to thank my husband, Will Corbett, for all the Janitor work and keeping the steps free of snow and ice, Jane Byrnes for keeping the lawn mowed and the Youth Committee of the Keeneborough Grange for the flower box.

Respectfully submitted,
FLORENCE E. CORBETT,
Librarian

POLICE DEPARTMENT REPORT

Honorable Board of Selectmen

Citizens of Brentwood

It is my pleasure to submit my report for the year 1973.

The department made application for and received additional funds for patrols from the Governors Commission on Crime and Delinquency. A second application has been approved and funded for a portable transceiver, (Walkie Talkie).

This year we added six new members to the department. They are David Dodge, Robert Fortier, Wilmon Grant, Robert Lucas, Walter Small, and William Vahey. I feel that the continuing increase in the number of calls plus the coverage of the New England Dragway from March until late October made this action necessary.

It is with regret that one officer resigned due to the fact that he was unable to put in the time the job requires. The services of Paul Porter is indeed a loss to the department.

I would like to thank the Selectmen and all of the officers on the department for their cooperation in this past year.

A total of 417 calls with 2040 man hours were made this year. A break down of the calls is as follows:

Court Convictions	110	Missing Persons	8
Motor Vehicle (Accidents)	25	Junk vehicles	6
Domestic Complaints	12	Unattended Death	1
Animal Complaints	54	Prowler	12
Breaking & Entering	16	Assist other P.D.'s	19
Stolen Vehilce	8	False Alarms	21
Fire	15	Miscellaneous	101
Juvenile Complaints	19

Chief of Police

CIVIL DEFENSE REPORT FOR 1973

To the Board of Selectmen
and Citizens of Brentwood:

I wish to thank the town for its continued support of the Brentwood Ambulance, acquired through Civil Defense Funds. We have received donations during the year totaling \$120.00 and are grateful to these people for their help. We now have 23 licensed ambulance attendants fully qualified under the New Hampshire State Laws. The Ambulance made 31 runs to the Exeter Hospital and 3 runs for transfers from the hospital to homes during 1974.

Respectuflly submitted,
NORMAN J. BYRNE,
Civil Defense Director

REPORT OF THE FIRE DEPARTMENT

Board of Selectmen and Citizens of Brentwood

The report for the year of 1973, accounting for the activities of the Fire Department:

	No. of fires
Building fires	4
Grass and Brush fires	9
Car accident and fires	5
Chimney fires	3
Smoke or gas in building	2
Miscellaneous calls	8
M.A. to other Towns	10
TOTAL FOR THE YEAR	41
M.A. for Brentwood	3

Thanks to the Ladies on the Red phone, which was used to answer over 396 calls this year and to the men who donated time and material, for repairs to the trucks about 122 hours and materials were equal to the sum of \$1,237.00 at current rates. The men so earned some \$552.00 for new equipment.

A REMINDER TO THE CITIZENS OF BRENTWOOD

From the Brentwood Fire Department

In compliance with the rules and regulations, N.F.P.A. Pamphlet No.31 issued by the N.H. board of fire control application for a permit to install oil burning equipment must be made to the fire chief.

After the installation and inspection for compliance with the regulation of N.F.P.A. pamphlet No.31 a permit to operate the oil burning equipment will be issued.

SYNOPSIS of NEW HAMPSHIRE
FOREST FIRE LAWS and REGULATIONS
FIRE PERMITS

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning even if in a barrel, grass burning, garden trash as well as brush burning in clearing operation. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS FIRE PERMITS

Commercial and industrial burning is allowed during the day with permission of the district chief and permit from the fire warden.

Household waste burning, with a permit is on rainy days between 9:00 a.m. and 5:00 p.m.

Camp or cooking fires are allowed on your own property on notification of the warden. On others property with written permission from owner and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permits are not needed in a public camp or picnic grounds where a fireplace has been built for this purpose.

PRECAUTIONS

Always clean a space about any open fire to prevent its spread. Never burn in dry windy weather.

Burn preferably late in the day and check your fires the next day.

In time of high fire danger all permits will be cancelled.

RALPH STEVEN
District Chief

JAMES FRALIC
Warden, Dial 642-5661

REPORT OF THE CONSERVATION COMMISSION

To the Selectmen and
Residents of Brentwood

In the month of October we were appointed by the Selectmen to serve on the Conservation Commission, Barbara H. Northrup, Miriam Dodge and Gardner Ladd. The Planning Board appointed James McGean as their representative. The Commission meets the first Monday of each month. We have had two meetings. The first to organize, the second was spent talking over the functions of the Commission and what the town needed and what the benefits could be. At the February meeting, the speaker will be James Hayden, County Conservation Agent from Exeter. We are looking forward to a busy and interesting year. We, as a Commission, sent a letter to the Fish and Game Department stating that we would like to see the State Game Farm continued as such. We feel it is a great credit to the Town and also gives us that much needed open land which all towns should have a certain amount of.

The motion was voted on and passed.

Article 8. Mr. Jensen moved and was seconded that the School District vote to raise and appropriate the sum of \$343,650.00 for the support of schools, for the payment of salaries of school district officers and agents, and for the payment of the statutory obligation of the district, and less the amount raised by Federal or State aid.

The Moderator Pro-Tem then recognized Mr. Jensen who spoke in behalf of the budget. After some discussion the motion was voted on and passed.

Article 9. Mr. Pailes moved and was seconded that Article 9 be tabled. The motion was voted on and passed.

Article 10. Mr. Jensen moved and was seconded that the meeting adjourn. The motion was voted on and defeated.

After a brief discussion of the progress on the school addition, Mr. Pailes moved and was seconded that the meeting adjourn. The motion was voted on and passed.

The meeting adjourned at 8:50 p.m.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Jerome F. Melvin

1973 was a most eventful year for the Brentwood School District with the opening of the new school addition on September 5, 1973.

Despite the late arrival of carpeting and the completion of other work, the new addition to the school opened on time and was received enthusiastically by approximately two hundred and fifteen boys and girls.

The addition which contains six classrooms and a large resource center should hopefully meet our educational space needs for some time to come. As the result of contributions from interested citizens in the community, budgeted funds, and an award-winning media grant from the State Department of Education, the number of books and materials in the resource center has increased significantly during the past six months.

During the past year, the educational needs committee made recommendations concerning the utilization of the entire school, as well as equipment and furniture requirements for the new addition. Plans call for this group to start work on the development of long-range and short-term goals for the Brentwood School District. As stated in last year's report, such goals will help the Board and the staff to plan ahead for the remaining years of this decade.

New Principal, Edmund J. Chmielewski, in his annual report, noted that several programs have either been implemented or further developed during the past year.

In the primary grades, he reports, a new reading program was initiated in the district. The program was chosen because of its personalized approach that allows children to learn at their own pace through a series of successful learning experiences or levels. Primary grade math also used this approach. In the near future, plans call for all students to be working in math and reading levels.

The science program developed by the American Association for the Advancement of Science is now being used

in the first three grades. Since the program is sequential in scope, kits for each successive grade will be ordered each year until the program is fully implemented.

Mr. Chmielewski concludes his report by thanking the community for the strong support that it has given the school throughout the past year. In addition to working as classroom aides, several townspeople painted four classrooms and the hall area last summer.

The financial frustrations of attempting to provide quality education in a state which ranks last among all fifty as regards state aid to local communities continues to plague us. One cannot but be impressed by the sacrifices of our local citizens who assume the burden of supporting their local schools almost entirely through property tax dollars.

As in the past, our average per pupil costs for both the AREA Junior High School and the AREA Senior High School compare most favorably with other New Hampshire secondary schools. The tuition rate for 1974-75 as announced by the Exeter School Board and approved by the State Department of Education:

AREA Junior High School

Estimated per pupil costs for 1973-74 \$ 821.18

Rental charges	42.82
----------------	-------

Tuition for 74-75-JHS \$ 864.00

AREA Senior High School

Estimated per pupil costs for 1974-75	\$ 963.42
---------------------------------------	-----------

Rental charges	43.58
----------------	-------

Tuition for 74-75-SHS \$1,007.00

These estimated per pupil costs for 1973-74, in accordance with the AREA contract, are the basis for determining tuition rates for the 1974-75 school year. A rental charge is added to complete the tuition cost.

The latest New Hampshire junior and senior high school average per pupil costs, based on the 1972-73 school year, are \$857.00 and \$931.00, respectively. Thus, the comparative state costs are two years behind the AREA tuition figures for the 1974-75 school year.

In November 1973, the Exeter School Board requested a month's delay from the State Board of Education so that

a plan for the establishment of the Exeter School District as a single supervisory union could be presented at the December meeting of the State Board. This request was denied.

Consequently, at the Supervisory Union 16 joint boards annual financial meeting in December, board members from the six school districts voted to form two committees. One committee would study the possibility of adding an additional administrator to the central office staff while the second committee would be charged with developing a plan for the reorganization of Supervisory Union 16. Since that time, the joint boards have employed Mr. Jason Boynton, from the New Hampshire School Boards' Association, as a planning consultant.

Regardless of any recommendations that might be made and any possible future actions, I believe that the joint boards have acted wisely in collectively trying to solve their mutual problems. Hopefully, such recommendations will prove beneficial to all six school districts and result in improved central office operating efficiency.

There were five full-time and one half-time staff members new to the Swasey Central School in 1973. Five were replacements and one was an additional teacher to fill a new position. Mr. Robert Mooers replaces Mr. Sargent as the new maintenance man/custodian. The present staff and their respective assignments are listed below:

Mr. Edmund Chmielewski	Principal and Gr. 4 & 6 language
Mrs. Gaye Vorkink	Grade 1
Mrs. Pamela Dray	Grade 1
Mrs. Ann Pearson	Grade 2
Mrs. Sandra Pare	Grade 2
Mrs. Carol Chase	Grade 3
Mrs. Olivia Hartford	Grade 3
Mrs. Sean O'Reilly	Grade 4
Mrs. Jane Kucharski	Grade 4 and Gr. 5-6 Math
Mrs. Judith Michaud	Grade 5 (morning)
Mr. Charles Goyette	Grade 6 and Gr. 4-5 Science
(all grades 4,5, & 6 staff teach a reading level)	
School Nurse	Mrs. Joanne Harrington
Secretary	Mrs. Orris Johnson
Custodian/Maintenance Man	Mr. Robert Mooers

REPORT OF THE BUSINESS ADMINISTRATOR

Daniel C. Durgin

It is not surprising that we often feel the significance of change since, as someone once said, "change is all around us." In reviewing various reports printed in the 1973 School District Report, I noted with interest the number of administrators and board members who mentioned the many changes which had occurred during the previous year. I would like to mention two or three of the newer developments in our system.

Facilities

The students and staff of the Brentwood School District, upon their return to school in September, were pleased to find the new addition to the Swasey School ready for their occupancy. The new facility consists of six classrooms and a large resource center. It is electrically heated and boasts carpeting throughout. It is a most attractive and functional facility and one in which the town's citizens can take extreme pride. Noteworthy too is the fact that the total cost ran under \$18 per square foot which was the lowest per square foot cost for schools in the state for 1973.

In June the officers of Supervisory Union No.16 were relocated to the Main Street School Annex in Exeter. Our new location offers the Union staff an enlarged facility with ample rooms for equipment and storage of supplies and administrative records.

In August, the voters of Exeter approved the purchase of 36 acres of land located just south of the Junior-Senior High site. This acreage is flat, relatively dry land and will be developed for athletic fields. At present, a committee is at work formulating recommendations for presentation to the Exeter School Board.

Economy

This report would not be complete without a word about the dramatic changes in our economy and its impact on our schools. Recent months have brought rapid increases in costs of many materials and supplies used in the operation of our schools. Most noteworthy in this category are fuel oil

and school paper. Prices for certain types of both commodities have more than doubled over the past year. This not only makes budget forecasting extremely difficult, but it places extreme and unpredictable pressure on current budgets. All of us, I am sure, share the same hope that the rapid escalation in prices of essential goods will level off and, hopefully, decline.

Personnel

In conclusion, I would like to mention something that does not change, and that is the efficiency and dedication of our support personnel. I fear at times, we tend to overlook the contribution of these individuals as they continue to perform their important duties in a quiet and efficient manner. Therefore, I would like to thank them all publicly for their dedicated service to their respective school districts and Supervisory Union No.16.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools and the School Board of Brentwood:

I respectfully submit the following report of the school Health Program at Swasey Central School for the School Year 1972-1973.

School Health services cover all efforts of the school program to conserve, protect and improve the health of the school population through activities and procedures such as medical and dental examinations; follow-up of health examinations; encouragement and assistance in plans for the correction of defects; health counseling; providing emergency care for the sick and injured, and provisions for the identification, care and follow-up of handicapped and exceptional children, and those with learning disabilities.

Routine procedures conducted throughout the year include the following: All pupils in all grades were weighed

and measured. There were vision and hearing tests, and re-tests when needed. Referrals are made when any defects are found. Health records for all pupils were reviewed and immunizations updated.

Dr. George Storm, school physician, conducted physical exams for fourth grade pupils. T.B. testing was administered by the school nurse to all school personnel. A pre-school clinic was held in May for entering first graders with Dr. Storm. School nurses, the dental hygienist and volunteers were present to carry out necessary procedures.

A dental clinic for children in need of dental care was held in cooperation with Dr. Pawlak's office in Exeter. A complete dental program with films, demonstrations, and experiments was presented to all third graders by the school nurse.

In March, I assisted Mr. Goyette in the introduction of a Drug Study Program for the sixth grade. Speakers and films were presented as additional resource material.

Each year a film on feminine hygiene is shown to the fifth and sixth grade girls followed by discussion groups. Some grades had a film and discussion on how their eyes work and the care that should be used in protection of their eyes. Sixth graders also were familiarized with first aid techniques. Students received instruction in mouth-to-mouth resuscitation using the resuscitator doll.

This year health instruction will be initiated in Union No. 16 Schools for all children. Swasey Central School will be incorporating this program in January. The Scott Foresman Health Series will be used. As school nurse, I will act as a resource person assisting teachers in obtaining health materials to aid in curriculum development of health classes, as well as teaching some units.

I wish to thank everyone for their kind assistance and cooperation in our strivings to continue and improve the School Health Program.

Respectfully submitted,
JOANNE HARRINGTON
School Nurse

**ANNUAL REPORT OF TEACHER CONSULTANT
BRENTWOOD — January, 1974
by Frederick B. King**

Much is happening in our elementary schools since our last report. Our Title I ESEA Learning Disability project has been extended to include Brentwood children. Though the time is limited for the LD specialist to work in the schools, she has done much testing and we have discovered there are a number of children who need help in overcoming some learning problems. It is hoped we can expand the services for 1974-75 school year.

Through Title II ESEA Special Grant we have received \$4500 worth of reading kits and special materials to give us more ways of working with children in reading. The new resource center makes an ideal location for these materials. At this writing, we are planning teacher in-service programs for Brentwood in the use of these materials as well as a reading workshop to be conducted in the early Spring.

New reading materials are beginning to appear in most of our classrooms. A new math program is underway and a primary science program has already reached out to give pupils in the lower grades opportunities to discover and explore the fascinating world of science.

Perhaps the most significant change in our elementary school program is the change to more emphasis on individual needs and the adoption of a "levels" approach in our reading and mathematics. This, of course, resulted in a new reporting system to parents. The levels approach allows for more variations in the instructional program. These affect what the student learns, how rapidly he learns, and how he goes about learning.

Much of the Fall has been spent in working with the staff in making changes which will result in more attention to the individual child, more careful planning of what is to be taught, and a more thorough job of assessing how well the student is grasping the skills taught. There is much yet to be done. At this writing only the primary grades have made the necessary transition to the "Levels" approach.

I am convinced that, with our new resource center, Learning Disabilities Project, new reading program, and a better system of accounting for student learning, we are well on the road to fulfilling education's ultimate goal—that of helping each child to achieve his full potential. I feel this concentration of effort in the elementary years will pay us many future dividends by giving us a better prepared student with a more positive attitude in the secondary school.

One of the exciting things about working in education is that one is constantly seeking newer and better ways to reach more children. After twelve years in S.U. No. 16, I can say we have made many changes and yet I can see that there is much to do, much that can be improved, and I look to the day when I can honestly say we are doing the very best we can for every child who goes through the public schools of this community.
